

## Return Form

Follow the steps below to return your order:

1. Fill out this return form.
2. Return the products to their original packaging and pack them in a sturdy cardboard box (preferably in the box in which you received the products), including all filler materials.
3. Enter the order number in the address field.
4. Cut out the address strip.
5. Place the completed return form in the box and tape the address strip on the box.
6. Send the package. The responsibility and the costs for the return lie with the customer.
